

OFFICIAL STATEMENT

11th September 2021

On this day, The Global Imams Council remembers the tragic events that unfolded on September 11, 2001. Nineteen Islamist militants of the terrorist group al-Qaeda hijacked four airplanes, committing suicide attacks against both civilian and governmental targets within the United States of America. As a result of this calamity, almost 3000 people were killed, including many Muslims.

We condemn the 9/11 attacks in the strongest of terms, and we condemn and oppose all Islamist and militant organizations that target innocent civilians, including, and not limited to Al-Qaeda, ISIS, ISIS-K, Taliban, Hamas and its parent organization the Muslim Brotherhood, Hezbollah, Boko Haram, and the IRGC. Our council deems such organizations unIslamic, deviant, and criminal.

We stand on the side of peace, against terrorism; and will pray forever for all the souls of the victims and loved ones lost on this tragic day.
