The Global Imams Council extends its warmest congratulations to His Excellency, The Honorable Rabbi Elie Abadie on his appointment as Senior Rabbi of the United Arab Emirates.

His Eminence is a widely respected and established prominent scholar that has built bridges of peace and understanding between Judaism and Islam.

We also take this opportunity to congratulate the Jewish community of the United Arab Emirates on His Excellency's appointment and look forward to seeing our Jewish brothers and sisters grow, excel and prosper.

Our Council is grateful to have His Excellency as a member of its Interfaith Network, and we are certain that the United Arab Emirates will embrace him and his family with love and honor.

We pray, during these sacred months, that the Almighty blesses him on this new journey, and our Council eagerly waits for the opportunity to visit the Jewish community of the UAE in the coming months.
